Briefly state the purpose and goals of this project or program. *

Vulnerability is the single most common factor for women at risk for rape and/or intimate partner violence. Vulnerability presents in ways such as poverty, discrimination, homelessness, advanced age physical and/or mental disabilities, just to name a few.

The Alabama Coalition Against Rape (ACAR) works with marginalized populations to ensure access to services that may not be readily available. Our Alabama Women of Color Network project works to provide trauma informed counseling, temporary housing services and support while collaborating with community agencies to meet the daily needs not readily available through rape crisis and counseling organizations. Because rape happens most often within vulnerable populations, impoverished women are at a higher risk. African American families have an income 10 times less than that of White families. Hence, they are the most impoverished and most vulnerable. The purpose of this grant is to provide needed services to women in a nontraditional manner to include those victims that do not meet the criteria for services at other organizations.

With this funding, ACAR will provide vouchers for temporary shelters and bus passes for counseling and referral services.

GOAL 1: Provide emergency housing for victims that do not fit the criteria for entry into other temporary housing units.

OBJECTIVE 1: Provide housing for 15 victims of sexual assault and/or intimate partner violence.

OBJECTIVE 2: Provide referral services for 20 victims for alternative housing options.

GOAL 2: Provide trauma informed counseling and support groups.

OBJECTIVE 1: Provide counseling 30 women with each participant receiving three (3) sessions each.

OBJECTIVE 2: Provide weekly group sessions for women in groups of 12, three (3) sessions per week.

GOAL 3: Facilitate transportation services for the temporary housing, counseling and group activities.

OBJECTIVE 1: Provide transportation for 13 victims via bus passes/Uber passes for those without any means of transportation.

Briefly describe your plans for administration of this project or program request? *

ACAR will contract with licensed counselors to provide the counseling and support. ACAR will partner with hotels for inexpensive weekly rates of stay. When appropriate, ACAR will compensate agencies such as Salvation Army for weekly stay rates. ACAR will also work with agencies such as the Alabama Department of Public Health (ADPH) and the Alabama Coalition Against Domestic Violence (ACADV) to provide training and resources.

How will you evaluate the success of this project or program? Or how have you evaluated the success of this project or program in the past? *
