Briefly state the purpose and goals of this project or program.* The overall goal is to provide each young person living at Brantwood greater educational attainment by providing an on-site educational program to partnership with an accredited private school. Through this partnership, Brantwood offers needs-based academi teaching that allows youth to earn first time Carnegie unit credit, as well as, Carnegie unit recovery credit. The graduation rate amongst foster care youth in traditional high school is about 50%. Our goal is to have more than 75% graduates and we have acheived that goal each year. Briefly describe your plans for administration of this project or program request? * Brantwood's On-Site Educational Program educates foster care youth in grades 5 through12. The purpose of the program is to educate our children while providing therapeutic services that abused and neglected children so desperately need. Providing this service on campus allows us to better individualize educational plans taking into account the individual aptitude and interests of the children under our care. How will you evaluate the success of this project or program? Or how have you evaluated the * success of this project or program in the past? Evaluation of BOSEP will include outcomes and budget data. Outcome data will provide specific information about the degree of impact of the intervention. The Brantwood Comptroller will continually monitor expenditures for budget data. Quarterly and annual reports will be provided as part of the overall evaluation.
