2021 ANNUAL REPORT

Helping Hands

Healing Hearts

Changing Lives

The mission of **MACOA** is to assist senior citizens of Central Alabama by providing services to promote independent living, offering opportunities to enhance their quality of life, and by increasing community awareness of senior issues.

Serving Seniors since 1972

Dear Friends,

It has been our privilege to continue to serve senior citizens in Central Alabama through the year of 2021. This annual report will be an inspiring snapshot of the tremendous impact of the services provided by our Meals On Wheels and Retired Senior Volunteer Program (RSVP) volunteers. These volunteers carry out MACOA's services and programs, meeting the needs of seniors in Central Alabama.

In this report, we will highlight a few of our over 2,000 volunteers whose helping hands have healed hearts and changed lives. Their "Helping Hands" have delivered health, safety, and care to many seniors throughout the year. If you donated to MACOA in 2021, we want to express our heartfelt thanks to you. Your funds were used to provide a lifeline to many isolated and food insecure seniors. Please know that you helped "Change Lives" and your donations made a difference. Thank you for your support!

With a grateful heart,

Jason Gardner

MACOA MEAL MAKERS

The MACOA Meal Makers help assemble and package the meals that are distributed every weekday to homebound seniors. This program allows us to partner with a variety of community organizations and individuals that want to give back and make a difference in our community serving seniors.

These committed volunteers provided over 1,000 service hours ensuring hot, nutritious meals are ready for the volunteer drivers to deliver to homebound seniors.

MACOA sponsors the Retired and Senior Volunteer Program (RSVP)

for Autauga, Coosa, Elmore, Montgomery and Tallapoosa Counties. The purpose of RSVP is to link the skills, knowledge, and experience of a senior volunteer

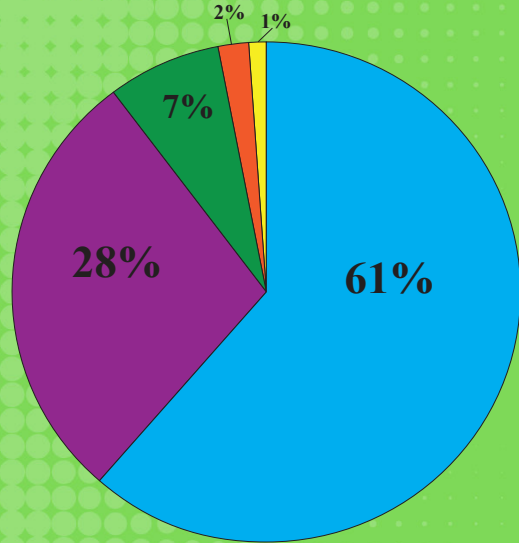

with identified critical needs in the community, and to provide rewarding opportunities for seniors. RSVP recruits volunteers for eight areas of service: Healthy Futures, Veterans and Military Families, Education, Environmental Stewardship, Community Priorities, Economic Opportunity, Donations Management, and Disaster Services. In our five counties 55% of our volunteers serve in the primary focus area Healthy Futures. These volunteers deliver Meals on Wheels, prepare and package frozen meals, provide respite to caregivers, serve in food banks and food pantries, and provide transportation and companionship to homebound individuals.

As an RSVP volunteer, individuals share their knowledge and skills learned in their lifetimes and have the satisfaction of knowing they are making a difference in the lives of others.
