INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Montgomery STEP Foundation
Montgomery, Alabama

We have audited the accompanying financial statements of the Montgomery STEP Foundation which comprise the statement of financial position as of September 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Montgomery STEP Foundation as of September 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Montgomery STEP Foundation's 2019 financial statements, and our report dated January 31, 2020, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2019, is consistent, in all material respects, with the audited financial statements from which it has been derived.

MONTGOMERY STEP FOUNDATION
MONTGOMERY, ALABAMA
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

The Montgomery STEP Foundation, Inc. is a non-profit organization. The Foundation's purpose is to present the Gospel in at-risk communities by mobilizing churches, volunteers, and other helping agencies who are elevating people to a better life.

Basis of Presentation

The STEP Foundation reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with The STEP Foundation's financial statements for the year ended September 30, 2019, from which the summarized information was derived.

Property and Equipment

Property and equipment are recorded at cost less accumulated depreciation. Property and equipment are depreciated over the estimated useful life of the assets using the straight-line method.

Revenue and Support

Support is reported as an increase in net assets without donor restrictions if the support is unrestricted by the donor or the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires, that is, when a stipulated time restriction ends or the purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Cash and Cash Equivalents

For purposes of the statement of cash flows, The Foundation considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Use of Estimates in the Preparation of Financial Statements

In preparing financial statements in conformity with generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingencies at the date of the financial statements and revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Tax

The Montgomery STEP Foundation is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and similar provisions of Alabama law and is classified by the Internal Revenue Service as an organization other than a private foundation.

Expense Allocation

The costs of providing various programs and other activities have been summarized in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Compensated Absences

Compensated absences for vacation and sick pay have not been accrued since they cannot be reasonably estimated, but are expensed as incurred and are not considered material.

Fair Value of Financial Instruments

The carrying value of cash, accounts receivable and accounts payable approximates fair value due to the short maturity of these instruments.

Reclassifications

Certain reclassifications have been made to the 2020 financial statement presentation to correspond to the current year's format. Total net assets and change in net assets are unchanged due to these reclassifications.

NOTE 2 - NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions are as follows

	2020	2019
Scholarships	\$ 0.00	\$ 0.00

NOTE 3 - ENDOWMENT FUND

For the year ended September 30, 2020, the STEP Foundation did not contribute any funds toward the endowment fund with Central Alabama Community Foundation, Inc. An amount up to 5% of the value of the endowment fund, less 1% fees to CACF, may be distributed each fiscal year to the Montgomery STEP Foundation. The fund is the property of CACF who has ultimate authority and control of all property in the fund, and the income derived therefrom, for the charitable purposes of the CACF. In the year ended September 30, 2020 the STEP Foundation received \$3,848.47 from the endowment fund.

NOTE 4 - OFFICE LEASE

STEP entered into a new office lease agreement on February 17, 2020. The terms of the lease were for two years with a monthly rent amount of \$325. The lease also includes additional fees for any copier use over 500 copies at \$.5 per page. Total rent for the year ended September 30, 2020, was \$4,143.64.

NOTE 5 - SUBSEQUENT EVENTS

In reference to these financial statements, Management has evaluated events and transactions for potential recognition or disclosure through June 17, 2021, which approximates the date the financial statements were available to be issued.
